

Shape Vehicles

Use the pieces in this bag to explore Engineering, Art & Math with your child. These are all important components in STEAM (Science, Technology, Engineering, Art & Math) education.

Play ideas:

- Build a train, boat, truck or rocket ship
- Sort the pieces by shape or color
- Practice counting
- Create a masterpiece, what other pictures can you make?
- Have fun & be creative, there is no wrong way to play!
